Covering Letter

To,

Subject: Company Profile.

Dear Sir/Mam,

We are pleased to introduce ourselves as an experienced & professionally managed group of Engineers in the field of civil, electrical, mechanical, firefighting & surveillance equipment's, and erection. We also deal in Material Supply, Automation projects, and AMC.

We are enclosing our company Profile. We sincerely wish to serve your esteemed organization and looking forward to get an opportunity to serve you. We can assure you that this will prove to be the first step towards a long standing relationship with your company.

Thanking & assuring our best services at all times.

For Tarang High Tech Infra Pvt. Ltd.

Auth. Signatory

Introduction

We are an experienced & professionally managed group of Engineers in the field of Industrial automation, Civil, Electrical, Mechanical Erection & we also deal in Firefighting & Surveillance Equipment's, Material Supply, and AMC.

Tarang High Tech Infra (P) Ltd. is managed by professional technocrats with the field experience of more than 20 years. Having designed and commissioned a number of systems for a wide range of industries & PSU's. We offer our clients a thoroughly professional approach at every step.

We provide complete solutions in the field of Industrial / GENCO / DISCOM / T&D / PSU's including automation starting from shop floor of the plant to top floor of the organization involving transmission of data through various layers & real time energy monitoring system.

Tarang High Tech Infra (P) Ltd. Employ about 86 people full time including engineers, designers, executives, accountants, programmers, technicians, supervisors, & others. We also have our floating associates who are engaged with us on project-to-project basis.

Product And Services

A Electrical Projects

- Survey, Design & Drawing With estimation & costing.
- Liasoning With Concern Govt. Dept.
- SITC of Electrical work for (HT, LT, Overhead Lines, Substation, Industrial & Commercial wiring & Cabling work.
- PLC/CNC/SCADA/Controls/ Automation of process including Pneumatic & Hydraulic.
- CCTV & Surveillance work.
- All Kind of Indoor & Outdoor Illumination works.
- Railway PSI /OHE /S&T /GE specialist.

B Mechanical Projects

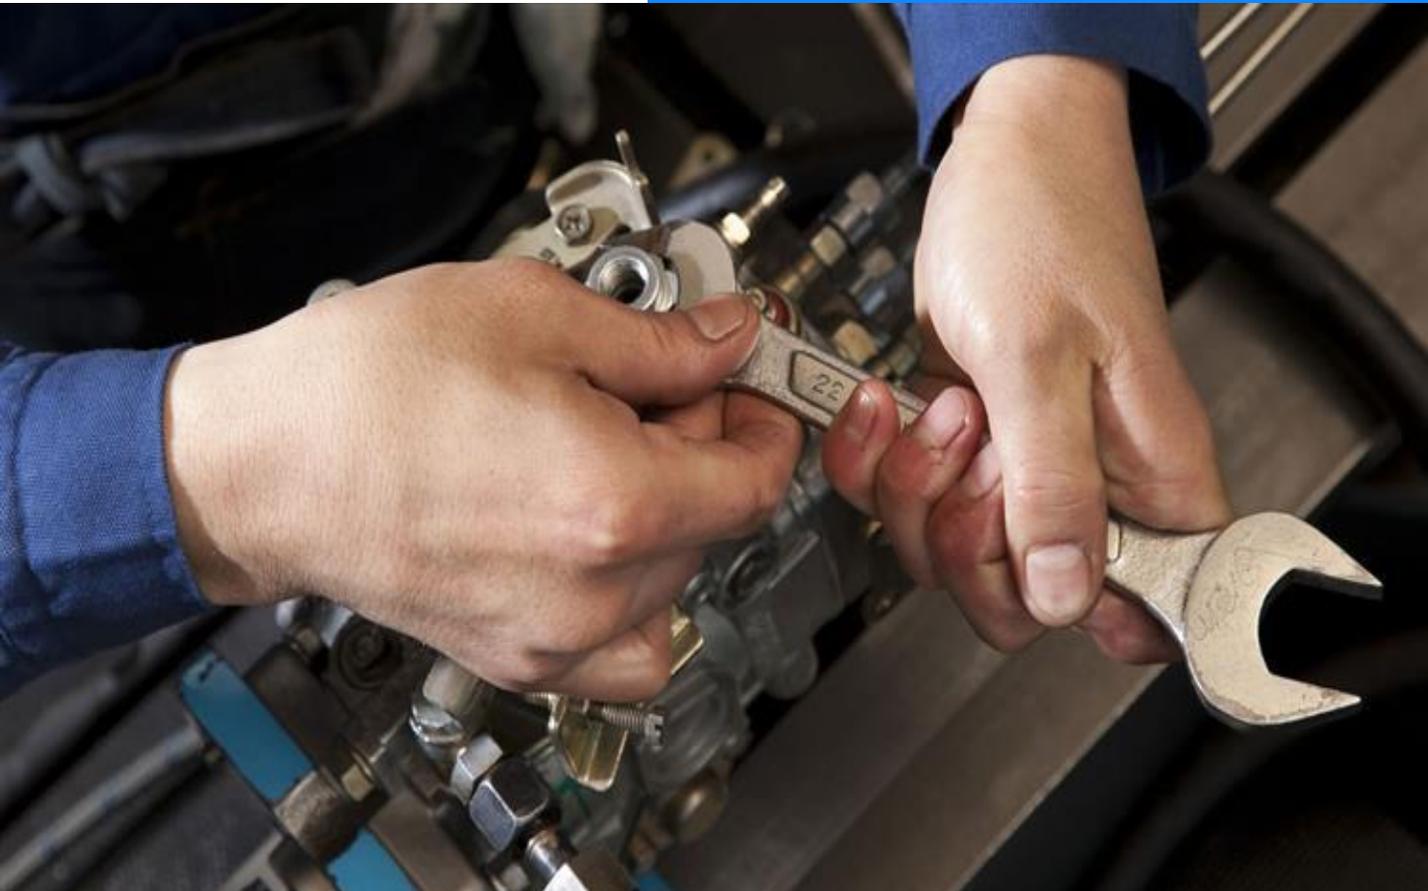

- MS ERW / MS Seamless / SS / GI Pipe Line Fabrication, Erection & Testing.
- Heavy Structures Fabrication like Prefabricated industrial Sheds.
- Dismantling, Shifting, Loading, Unloading of machine & heavy structure.
- Firefighting work including smoke & heat detection/Sprinkling system & fire extinguishers.
- SITC of HVAC Work in all respect.
- Plumbing work.

Product And Services

C Maintenance Projects

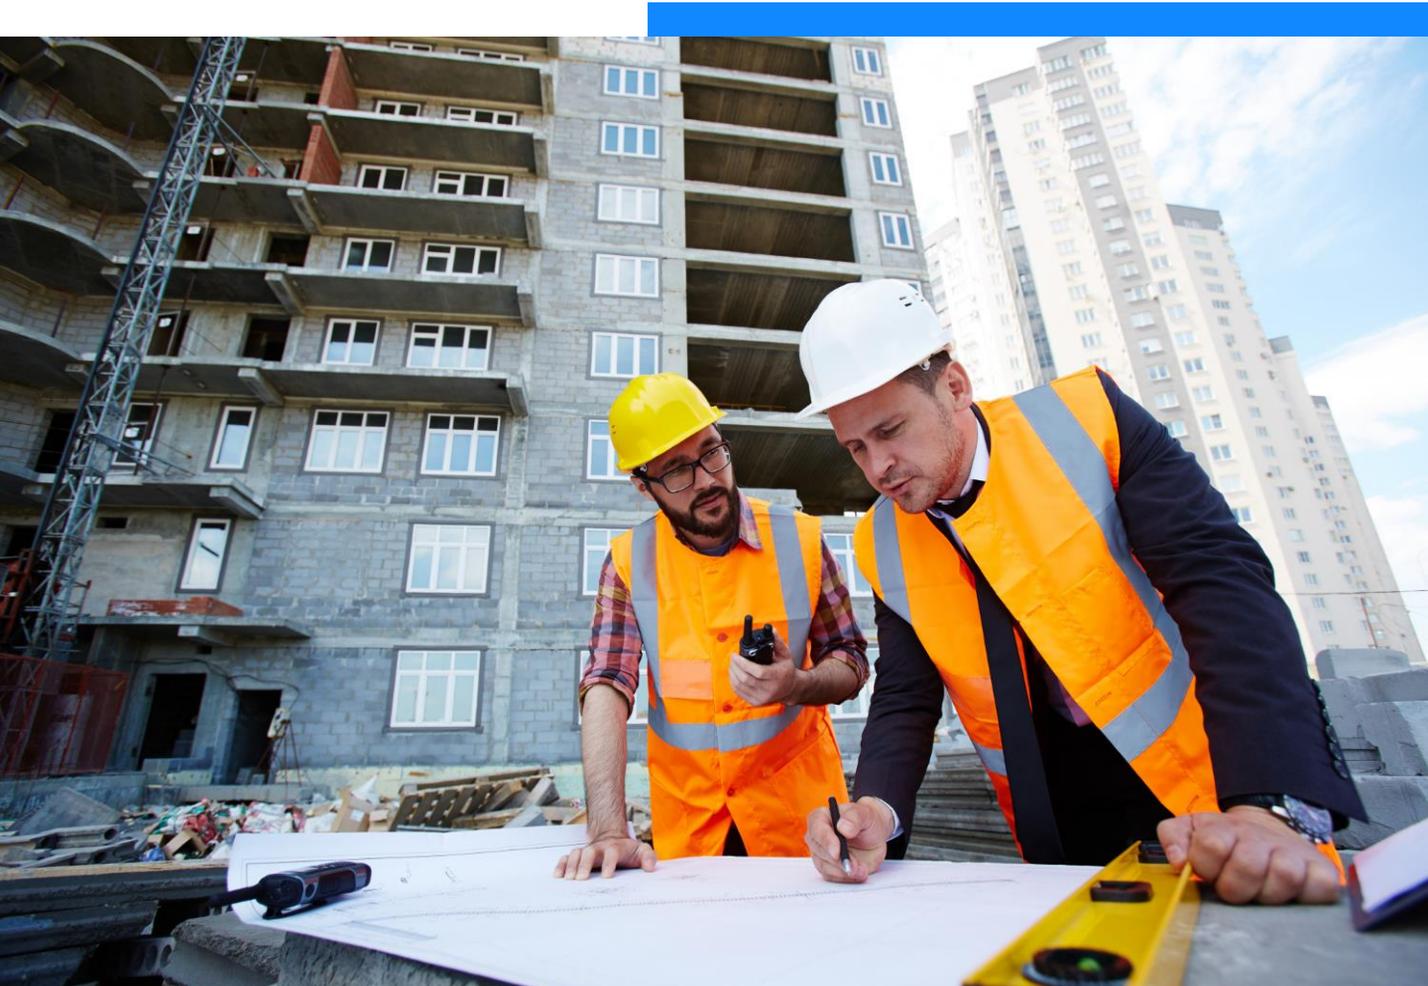

- Consultancy & Liasoning.
- Preventive maintenance.
- Breakdown maintenance.
- Workshop facilities.
- Common spare stock.
- Testing & calibrations.
- Motor/Alternator Winding.
- Hydraulic oil testing & cleaning
- Transformer oil filtration & dehydration.
- Power factor improvement.
- Energy Conservation Audits.

Product And Services

D Civil Construction

- Survey, design work with estimation & costing.
- Liasoning with concerned Govt. Dept.
- Road & highway work.
- Building construction work.
- Rock anchoring work.
- Culvert & small bridges.
- Demolition work.
- Power substation civil work.
- Sewer & drainage system.

Area of expertise

Material Handling:

Ash handling, Coal handling, Belt Conveyors, Electroplating Plants, Paint Shops, Stackers, Forklifts, Overhead Cranes, Jib Cranes etc.

Plastics & Rubbers:

Plastic Injection Molding Machines, Blow Molding, Extrusion, Sheet Line Lamination, Grinders, Rubber Molding Machines, PVC Pipe molding, etc. Double wall corrugation & HDPE line etc.

Pharmaceuticals:

Sterilizers, Autoclave, Liquid Injection, Blister m/c, Lab Equipment Chillers, Packaging Machines, Compression Machines. Compressors, vacuum pump, FBD, Blender Pulverizer, Oven Moulds etc.

Textiles:

TFO Twisters, Dryers & Jiggers, Winders Sectional Warming machines etc.

Foundry:

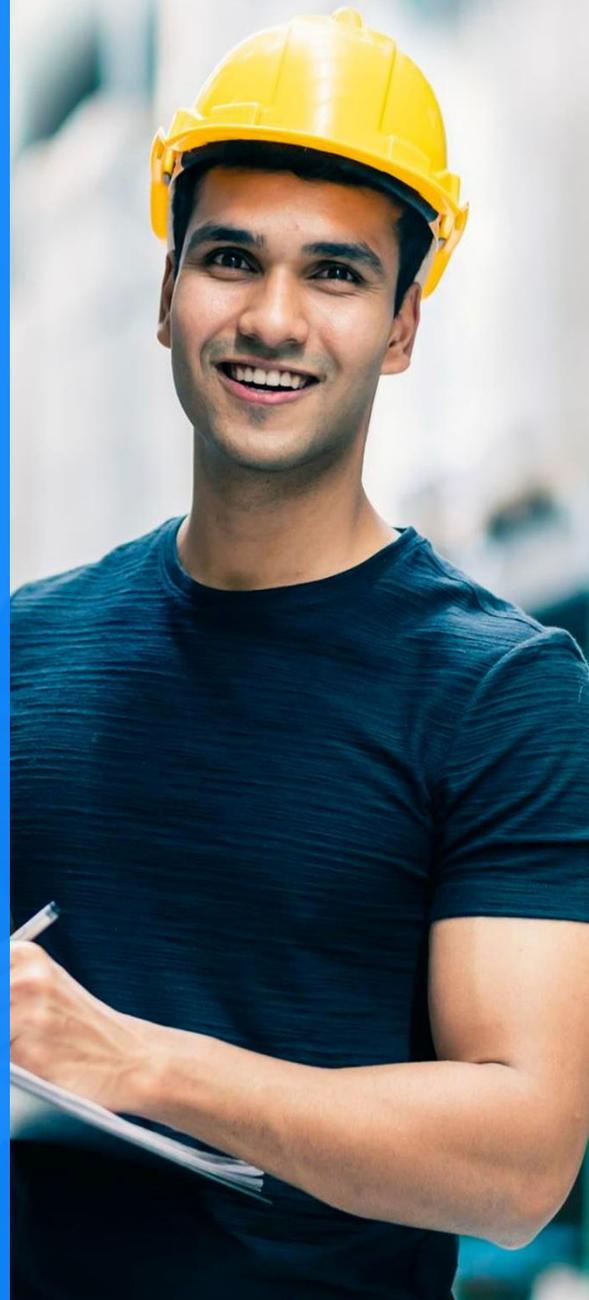

Sand Plant, Molding Line, Fading Line, Induction Furnaces, Cooling Towers, Chillers. Etc.

Packaging:

FFS, Auger Filling, Coil Wrapping Machines.

Automobile:

CNC / VMC / HMC Machines, Forging Plant, Traub Machine, Power Press, Bar Drawing machine, Sand Blasting, Turning Machine, Sheet Rolling line, paint shop, Assembly line, Cutting, Blending, Punching machine.

Area of Expertise

Steel Industry:

ERW Pipeline, Induction Furnace, Drawing machine, CGL, HRCGL, Colour coating line, Profiling machine, Corrugation machine & Conveyor Belt.

T & D Substation:

Nitrogen Plant, Ammonia gas plant, Boilers, laser cutting machine, Transformers, HTVCB / CT / PT / Isolators, Capacitor bank. Relay panels, LA, Lattice Tower, ACSR Conductors, STP Poles, Insulators & other accessories.

Railway Electrification:

Relay panels, LA, Lattice Tower, ACSR Conductors, STP Poles, Insulators & other accessories. General electrification, Overhead insulation, Signal & telecom, SP/SSP & TSS.

Cement Industry:

Batching plant conveyer system, Process line, Grinding plant & Packaging line, Alternator, Cooling system, Switch control room, Steam turbine, Condenser unit, Recycle unit etc.

Utilities

DG Sets, Compressors, Pump Operation Control, Chillers Operation Control, boiler Operation Control, Energy Monitoring & control, Electrical Substation, Stabilizers, ETP, Incinerator System, Movements Detectors, Telephone & communication, Water Softener Plant, RO Plant, Luminaries, Water Filtration Systems, AC & Ventilators etc.

Mukesh Kumar

Managing Director
Born in Meerut (UP) in 1981.

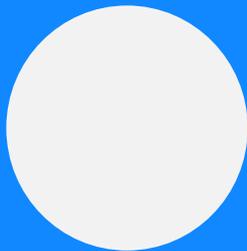

Key Expertise

- Industrial Facility management
- In depth knowledge of Industrial Utilities.
- Versatile experience of project execution in Automobile / Pharmacy / Food / Packaging / Textile / Steel Industry & HV.
- LV & MV & HV electrical substation work.
- Fire fighting & fire surveillance systems.
- Energy Audits
- Estimation & cost analysis
- Taxation & office Management.

Director's Profile

TECHNICAL QUALIFICATION AND EXPERIENCE

- Completed High School from R. I. Govt school Meerut in 1995.
- Completed Diploma in Electric Engineering from DJ Polytechnique Baraut (UP) in 1998.
- Joined Indian navy in early 1999.
- Completed B.E. in Marine Engineering from naval Engineering Collage Jamnagar (Gujrat) in 2002.
- Completed Fire fighting industrial level diploma from Lonawala (Maharashtra) in 2002.
- Joined Mahindra & Mahindra Lalpur, Utrakhand Plant, Agro Business Tractor Plant in 2004.
- Registered Tarang Technical Services Electrical Contractor firm and started Electrical Trading/consulting/contractorship business in 2006 (Rudrapur, Utrakhand)
- Started Steel Tubular Poles manufacturing Business in 2012 (Rudrapur, Utrakhand)
- Started Tarang High Tech Infra Pvt Ltd company as EPC contractor in the filed of Electrical / Mechanical/ Civil Projects along with Mr. Dharendra Singh in 2021.

Dharendra Singh

Executive Director
Born in Kanpur (UP) in 1986

Key Expertise

- Execution, planning & monitor for GE & PSI WORKS. Handling MEP projects for High rise and commercial projects.
- Heavy industries project for electrical and utility section. Cost minimizing and BOQ preparation.
- Testing & commissioning of 765kv Areva make C.B at Anpara C.(1st private owned 765kv switchyard in India). Commissioning of C.B of SF6 from 66kv upto 765kv at NTPC, PGCIL, LANCO, JP power plant, etc.
- Testing of numerical relays at HMEL, Bhatinda.
- Worked for different projects in different areas and accomplished the projects at good note on or before time completion of project as per the given targets involving contractor management, material management, man power handling with SOP'S and project plans.
- Awarded by company KEC INTERNATIONAL LTD an RPG group for completion of railway project 6 months before in railway electrification project of RVNL (UTR to JNH)

Director's Profile

TECHNICAL QUALIFICATION AND EXPERIENCE

- Completed B.Tech (Electrical & Electronics) in year 2009 from Sky Line Institute of Engineering & Technology affiliated to UPTU.
- Joined 1st job as Special Testing and commissioning Engineer (i.e. with CB analyzer and DCRM specialist for Circuit Breakers up-to 765KV PAN INDIA.
- Project details: - Testing and commissioning had done for approx. 30no. of Projects in PAN INDIA with companies like CGL, PHILIPS, AREVA, ALSTOM, SIEMENS, ESSAR, RELIANCE. HMEL BHATINDA, MAHINDRA, POWER GRID (PGCIL), MVNL, UPPCL, GETCO ETC.
- Worked for many other reputed companies in different fields and sectors of Power installation, Steel plants HRCGL , CCL and CGL line. projects including Utility sections, MEP manager in builders sector etc.
- Served since 2010 to 2020 EPC company from which last 3.5 years I have spent time with RPG group for projects in Railway sector for Railway electrification.
- Started Tarang High Tech Infra Pvt Ltd company as EPC contractor in the filed of Electrical / Mechanical/ Civil Projects along with Mr. Mukesh Kumar in 2021.

Machine And Tools

We have an established workshop for our repair works except rectifying problems at site.

Fabrication T & P:

- Pedestal Drill Machine.
- Gas Cutter.
- Welding Machine.
- Grinder.
- Chain Pulley Blocks & Ropes.
- Magnetic drill machine.
- Hand Drill Machine.
- Ladders & scaffolding.
- Safety Belts.
- Sprit & pipe levels.
- Earthling Dies and Hacksaws.
- Pipe Bending m/c.
- Hydraulic pipe swagging m/c
- Hydraulic pipe straightening m/c.
- Hammer drill m/c.
- MIG Welding m/c.
- Plate Bending m/c.
- Chop saw cutter.
- Sander.
- Arch welding m/c.
- Argon.

Testing Equipment's:

- Clamp Meters.
- IR Testers.
- Earth Testers.
- Multimeters.
- High Voltage Injection Kits.
- IR Distance Meter Thermal Scanner.
- Test Lamps.
- Oil BDV testing Bench.
- Universal Testing Bench.
- CT Polarity Testing Kit.
- CT Secondary current injection kit.
- Water PH Indicator.
- Ohmmeters.
- Bearing Analyzer.
- Lumen Meter.
- Laptop for programming.
- Radiography Test Kit (For Welding joints) CRM Kit CB Analyzer With DCRM.

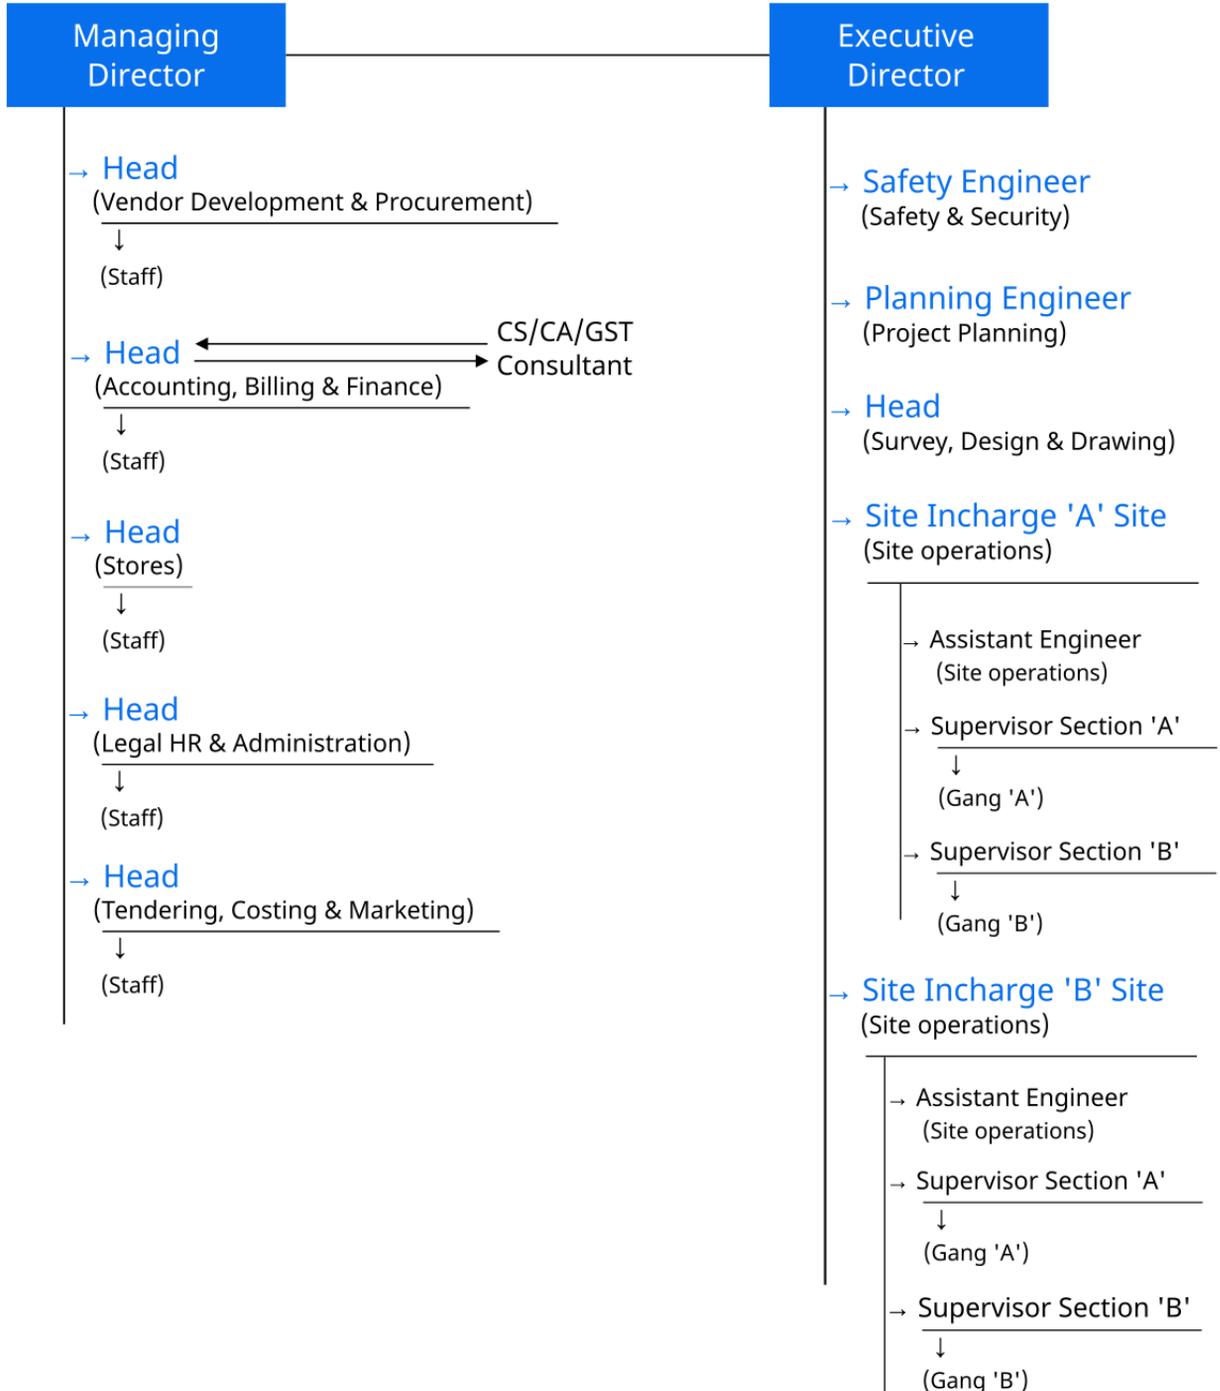

Machine And Tools

Electrical T & P

- Crimping Tools.
- Screw Jack Sets.
- Socket Set.
- Heat Blow Lamp.
- Spanner Set & Pipe Wrenches.
- Hammer Drill Machine.
- Pliers & Screw Driver Set.
- Hand Gloves.
- Soldering Irons.
- Winding Machines & Fixtures.
- Testing Bench.
- Transformer oil. Dehydration & Filtration m/c.
- Excavation Tools.

Organisation Chart

Our Client List

S.no	Company	Remarks
1	M/s Bhaskar Energy, Pvt.Ltd	Consultant & Contractor
2	M/s Rohan Builders Pvt. Ltd.(Bajaj Auto Ltd. Site) IIE Pantnagar	Consultant & Contractor
3	M/s Samuridhi Industries Ltd	Contractor
4	M/s Saturn Packaging Pvt Ltd IIE Pantnagar	Consultant & Contractor
5	M/s Cima Dairy & Foods Ltd	Consultant & Contractor
6	M/s Meek Pharma Pvt. Ltd, Kichha Road, Lalpur,	Consultant & Contractor
7	M/s Khandelwal Labs Ltd IIE Pantnagar	Only HT work
8	M/s Pee Cee Cosma Ltd. IIE Pantnagar	Consultant & Contractor
